**Proven Winners® is America's #1 Plant Brand. If you've owned one, you know why. They are healthy, hearty, Beautiful plants that thrive when planted. These plants are found in most of America's best Garden Centers because of the quality plants they are. Our Plants come directly from the PW Greenhouse, so you are assured when you order from us to get the plant in the best possible condition. No middle man or people handling your plants before they arrive at your home. No Garden Center not watering your plant for a day or two before someone notices the watering line is no longer in your plant, or some half interested worker too busy talking to another employee to notice your plant isn't getting water. Your plant will come directly from the Proven Winners® Greenhouse to your house. And it will arrive at a cost almost, if not, half the cost of the high priced garden centers. Our normal prices are lower than the sale prices of large retail chain stores.**

**Give us a try, you will not be disappointed with the product you get. It will be the very same "Proven Winner" plant, just possibly in better condition than one you could buy at the corner garden center.**

**We accept American Express, Discover, Visa, and Master Card, and of course cash. Place your order before May 1<sup>st</sup> for best selection and availability. Once the Greenhouse sells out, it takes time to grow more, if they will (depending on time of season and plant type).**
